

MEDICAL TRAVEL SOLUTIONS TAILORED TO YOUR NEEDS

A&K Global Health provides medical travel services that are uniquely tailored to your individual wants and needs. We offer you the most transparent and direct means to quality healthcare treatment options throughout Asia, Europe, Africa and North America. We are able to connect you with reputable and experienced medical providers and help coordinate necessary travel preparations, including paperwork, scheduling, and logistics. Not only do we help facilitate your medical journey, but we also continue to provide on-site support throughout every stage of your healthcare treatment.

A&K Global Health is dedicated to compassionate, customized healthcare for everyone, regardless of geographic location or financial circumstance. We encourage you to make informed decisions about your health and treatment by providing you with credible information and the power of choice. In doing so, we empower you to make the best possible decisions that also meet your needs.

DIVERSE LOCATIONS

We offer treatment options to you around the world in diverse locations, including:

- INDIA
- TURKEY
- KENYA
- THAILAND
- GERMANY
- UNITED STATES
- CANADA
- AUSTRIA

PROCEDURES & TREATMENTS

One of the main reasons that you might choose A&K Global Health is our ability to coordinate travel for procedures and other treatment methods that are often unavailable where you live. Some of these include:

- ONCOLOGY
- CARDIOLOGY
- DENTISTRY
- COSMETIC/RECONSTRUCTIVE SURGERY
- FERTILITY/REPRODUCTIVE SURGERY
- ORTHOPEDICS
- OPHTHALMOLOGY
- WEIGHT LOSS SURGERY
- BONE MARROW TRANSPLANTS
- ULTRASOUND AND OTHER TESTING

CHOOSE A&K GLOBAL HEALTH

We know that you and your loved ones have many options when it comes to your healthcare, but we hope that you choose A&K Global Health for the unrivaled variety of benefits that we are able to offer you. By working with us, you are able to get the treatment you need at a cost that you can afford. We are there for you at every stage of the process, connecting you with the best possible healthcare at dozens of diverse locations throughout the world. Our on-site Operations Officer will be waiting for you at your destination to assist with communication and coordination, and we will continue to follow up with you after you return home about your healing, rehabilitation, and satisfaction.
